

**A better way to your  
career path in supply chain.**

# At Armada, your success is important to us.

**An innovative environment built on clients, co-workers and culture.**

Armada is an experienced, strategic supply chain and logistics management partner that delivers leading-edge supply chain solutions to clients ranging from Fortune 500 companies to privately held and family-owned businesses. As a company that has been around for more than 100 years and with our client-centric focus, Armada's dynamic culture provides a collaborative and innovative environment for our employees. At Armada, we understand that a successful organization starts from the inside. We strive to develop the talent for our future by encouraging continuous learning and development of our employees – providing you a better way to your career path.

**Armada creates innovative, fully integrated supply chain solutions that deliver competitive advantages and improve business performance for our clients.**

**We believe** that there's a better way to manage our clients' supply chains. A better way rooted in simplicity, transparency and extraordinary service to our clients.

**We are changing** the way supply chains are managed – now and for the future – through innovation and collaboration with our clients.

**We provide** logistic solutions that create smaller, smarter and more agile supply chains that adjust to our clients' evolving marketplace demands.

*"Armada has always been great with helping me advance in the business and giving me roles that interest me and fit my skill set."*

*"One of the best companies in Pittsburgh, focused on employees and work ethic. Leadership shows compassion, and most importantly recognizes employee contributions to the success of Armada."*

*"I am proud to work for a company that values its employees as much as Armada."*

**Become a part of our team.**
